Placing a Hold

eBooks & eAudiobooks in cloudLibrary are the same as print library books—only one user at a time may borrow a copy (as per publisher's licensing).

For items that are currently borrowed by other users, you may choose to **PLACE A HOLD**. Once a hold is placed, you will be notified by email when it becomes available.

If you are interested in a book, but are not ready to borrow it just yet, click on the **SAVE FOR LATER** button to place the title on your list of **SAVED BOOKS**. This saves all the titles you are interested in and keeps them in one place, so you can locate them when you are ready to check them out
