Bonus (toward grand prize!) - Every 10 extra hours earns 1 ticket

Teen Summer Reading Challenge

How does it work?

- Sign up!
 - Call us at (307) 684-5546
 - Email johncountylib@gmail.com with "Teen Summer Reading" as the subject
 - Visit the front desk.
- When you sign up, you'll get your challenge kit that includes this log and fun items.
- Fill in one symbol for every 30 minutes.
- Once you've got a whole bracket of symbols filled in (all the ones of the same color), there's two options:
 1. Bring in your reading log. A librarian will check off the box for that bracket and get you the corresponding prize.
 2. Send us a photo of your reading log, showing which bracket you've filled in. We'll arrange for a way for you to pick up your prize.
- The librarian will also put in a ticket with your name on it for the grand prize drawing!
- We will have **two** grand prizes—one to the teen who reads the most hours, and one given by random drawing.
- The final bracket is 40 hours but you don't have to stop there! Keep track of bonus hours and we will add more tickets toward the grand prize drawing. (The librarian will mark off that check box—you don't have to.)

Two grand prizes:

One for top reader, one in the random drawing.

Mark off 1 box for every 1 additional hour beyond the inside page brackets.
